ABOUT
THE PROJECT

Al Rabwa Compound is a distinguished residential enclave situated in the vibrant area of El Sheikh Zayed, approximately 140 meters above sea level. This elevation not only enhances the area's aesthetic appeal but also contributes to a more temperate and invigorating climate compared to the surrounding urban environments.

Al Rabwa Compound Sheikh Zayed is filled to the brim with endless amenities that will make residents live life to the fullest amidst the landscapes and water features.

It's also worth noting that Al Rabwa covers **505 feddans** of land with a golf area spanning across 2,400 sqm, and serene lakes are located in the compound centre.
