TATWEER MISR

01

ABOUT **DEVELOPER**

ABOUT
TATWEER MISR

Tatweer Misr is one of the top-rated and pioneering real estate developers in Egypt. Since its establishment, the company has played a significant role in bringing about change by producing projects that are exceptional and adept at every aspect of development.

With a wealth of technical and industrial experience, Tatweer Misr Development has been providing a fresh perspective on integrated living. It has become one of Egypt's top real estate developers, meeting the growing need for mixed-use projects that improve the quality of life in local communities.

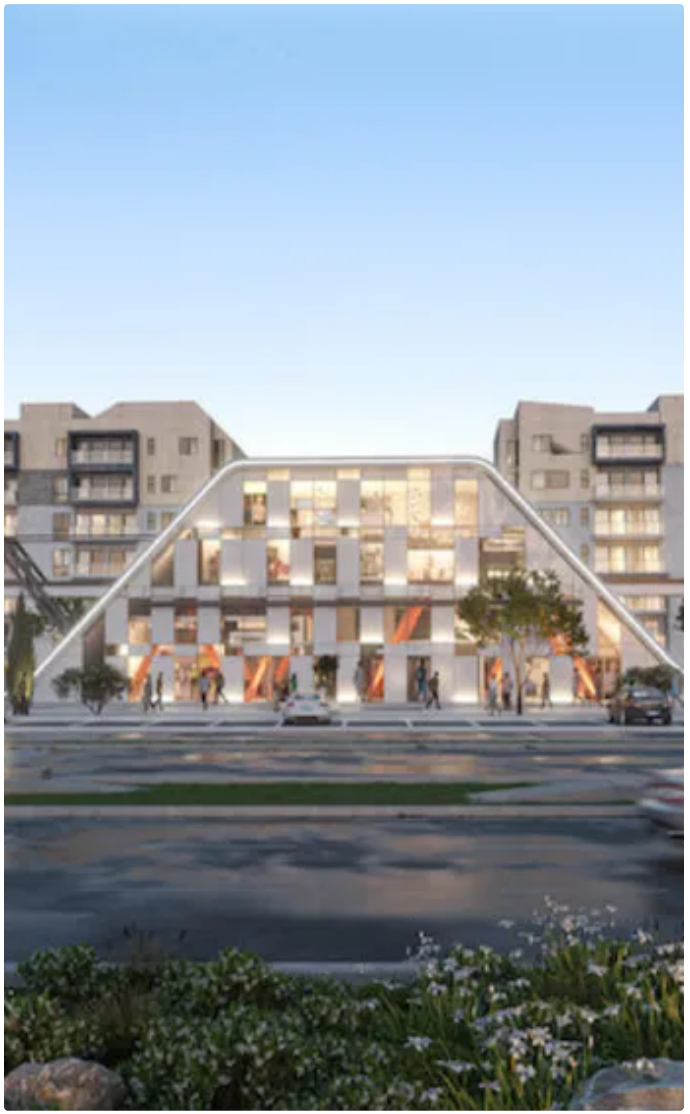

Tatweer Misr Development Facts

Tatweer Misr Development has a legacy created and formed thanks to its philosophy, mission, vision, core values, and culture.

Vision

The company aims to establish a reputation for creating sustainable value that not only improves the lives of communities and workers but also offers investors a high return on investment, making it a prominent trendsetter in the area with a global presence.

Mission

ABOUT
THE PROJECT

Bloomfields Mostakbal City is an integrated residential complex by the reputable Tatweer Misr. The project spans a massive land area, and it is not just a mere residential compound. Rather, it is a whole new concept of life.

Tatweer Misr introduces the first-ever green residential concept in Mostakbal City. The project features several residential phases with diverse homes, offering buyers a wide range of properties to choose from.

Bloomfields Tatweer Misr Compound is a fully integrated project. This is thanks to its all-inclusive concept implemented in the development.

Bloomfield Compound Location

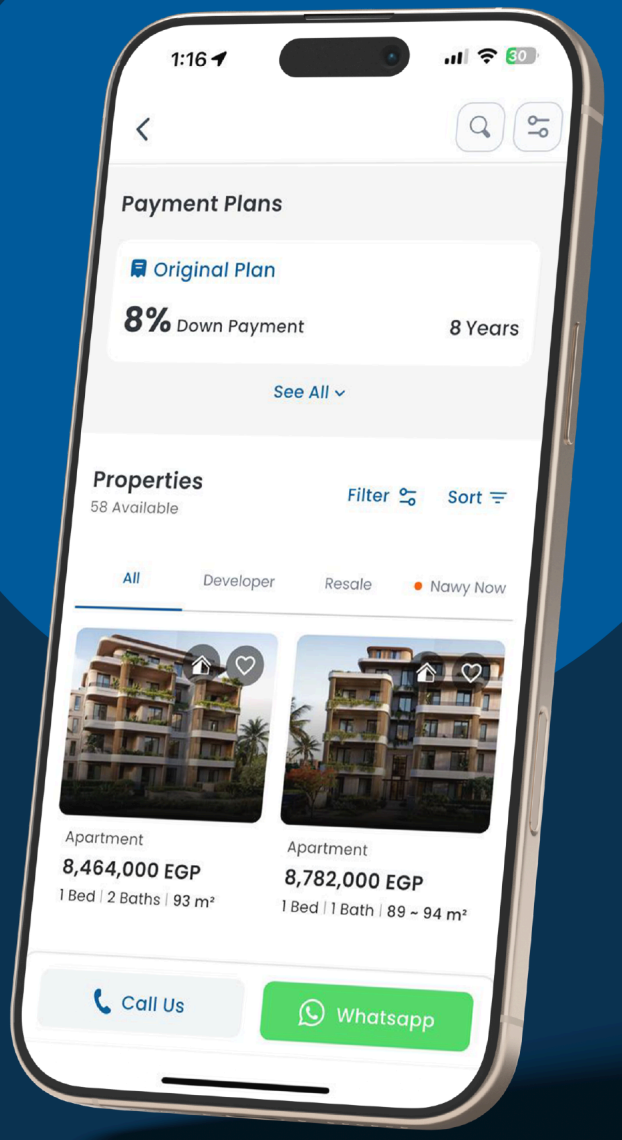

The Bloomfields Mostakbal City location was smartly picked to be:
