ABOUT **DEVELOPER**

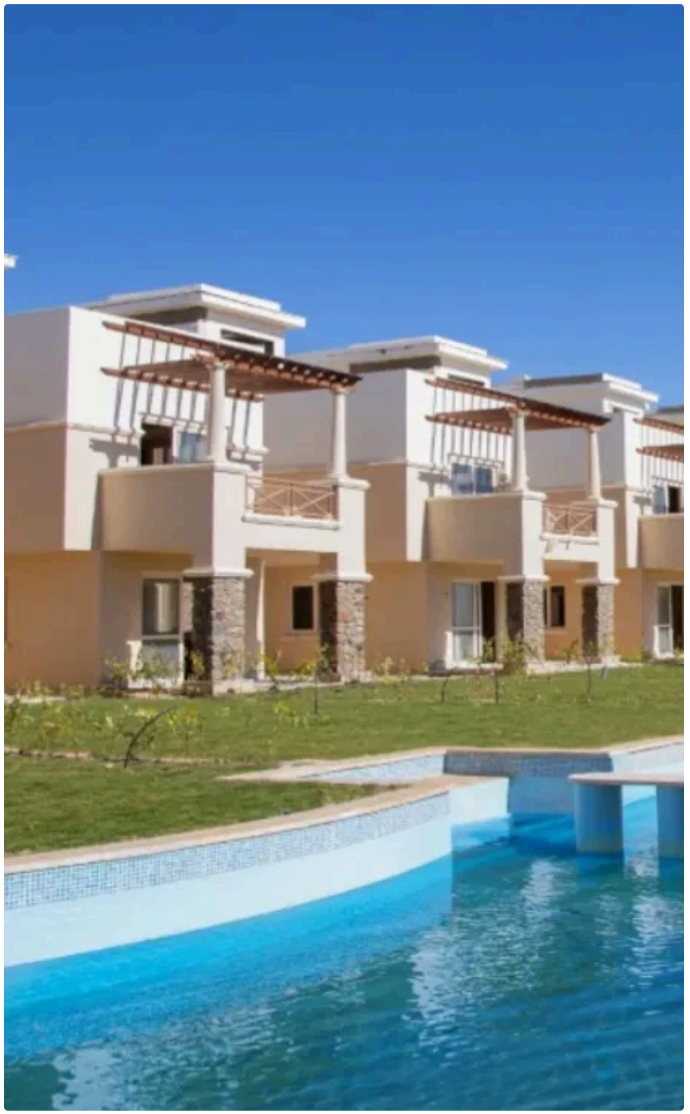

ABOUT
MG DEVELOPMENTS

MG Developments, founded in **1998**, is a prominent force in the Egyptian real estate market, operating under the umbrella of the Metawee Group. With nearly 28 years of experience and a portfolio spanning real estate investment, tourist development, and construction, MG has consistently delivered dynamic, high-quality projects.

The company's vision centers on meaningful, sustainable living, striking a perfect balance between elegant design, architectural excellence, nature, and modern lifestyle.

Their philosophy, "A Foundation for the Future," is evident in their commitment to using natural materials like wood and stone, implementing advanced structural durability tests, and integrating energy-efficient solutions in every development.

ABOUT
THE PROJECT

Blue Blue Resort is one of the finest projects covering **121,000 SQM** area of land in Ain Sokhna, one of the most beautiful spots overlooking the Red Sea. MG Developments designed a master plan for the Blue Blue Project to outline fancy vacation houses and high-end facilities.

It also included a broad array of distinctive services in Blue Blue Sokhna to offer you a hassle-free escapade. Additionally, the resort is ideally located in Ain Sokhna, so its residents can have a convenient gateway from the city from beginning to end.

Blue Blue is a year-round beach destination where you can unwind, relax, bond with your loved ones, and create unforgettable memories.
