ABOUT **DEVELOPER**

ABOUT
MAXIM DEVELOPMENTS

Maxim Development is one of Egypt's reputable real estate developers, known for its innovation and outstanding vision. It was established in 1980, and it has been committed to improving its clientele's lifestyles since then.

With more than 40 years of experience, the company has marked its name in the Egyptian real estate industry. It built lavish residential, mixed-use, and resort projects in many prominent areas.

It perfectly turns potential opportunities into flawlessly designed real estate developments. Its portfolio features state-of-the-art projects in various elite locations, including New Cairo, North Coast, and Mostakbal City.

Maxim Development Group Facts

Maxim Development was founded by Mr. Wagdy Karar in **1980**. Thanks to its commitment to its vision and mission, the company meticulously designed a wide range of commercial, administrative, residential, and coastal projects in Egypt.

Its vision is to transform the way its clients live, work, and experience the finest things in life. The company executes its vision by bringing international standards, world-class amenities, and innovation to its projects.
