ABOUT
DM DEVELOPMENT

On a mission to move communities further, DM Developments works on establishing well-designed residents with international standards. The leading real estate developer is operated by a team of experts with over 35 years of experience in the field.

DM Developments opened its doors in 2014 and since then the company has established itself as a leading tourism real estate developer. Currently, the company is working on expanding its portfolio and changing urban culture by introducing sustainable solutions.

Partnering with leading companies, DM Developments offers its clients one-of-a-kind experiences with unique designs, lifestyles, and hospitality services. DM Developments also provides the whole tourism property cycle from development to maintenance and value enhancement.

DM Developments Top Projects
DM Developments is well-known for its high-end projects, including:

ABOUT
THE PROJECT

Brellia is one of the chalet phases inside The Groove Ain Sokhna. The resort and its relevant phases were all developed by the real estate tourism company, DM Developments.

This phase was designed with an elevation concept that is composed of 5 levels. Thanks to this brilliant design concept, all the units enjoy picturesque views of swimming pools, lush greenery, and landscaping.

In fact, the Brellia Groove phase prides itself on various unique selling points such as its prime location, lavish residences, and top-tier facilities.

Brellia The Groove Location

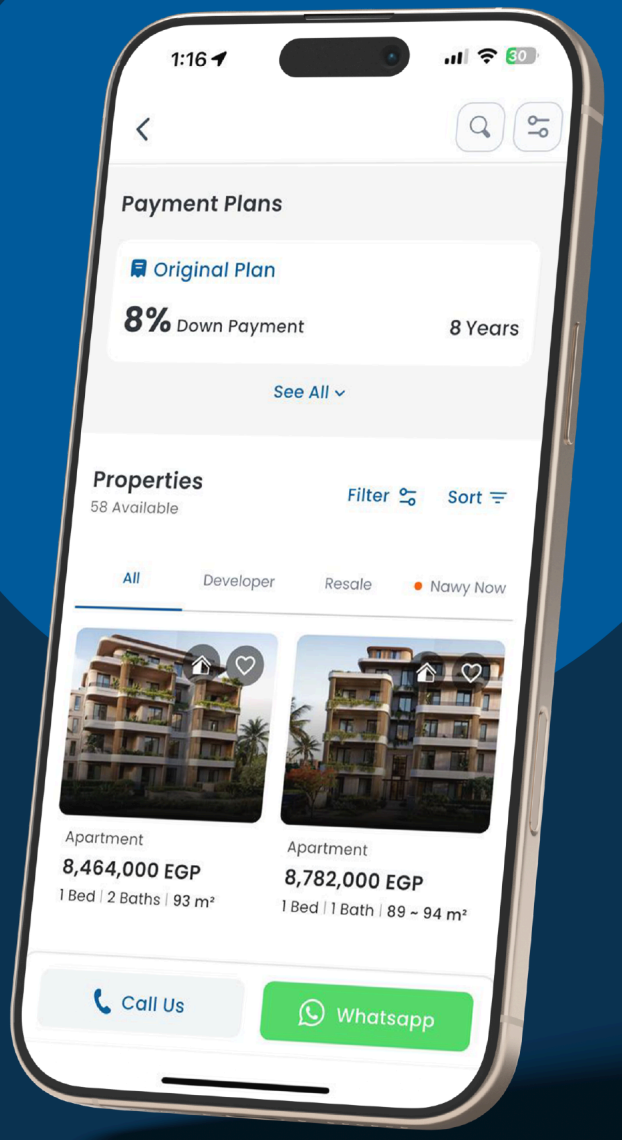

Brellia is located inside The Groove Ain El Sokhna Resort. Thanks to its prime location, it is close to major attractions all around it. The exact location of the resort is:
