ABOUT
KAYAN REAL ESTATE

Kayan Developments has been one of the leading real estate companies in the Egyptian market lately. It has developed many upscale projects in premium spots.

The Kayan Real Estate Group is led by Chairman Eng. Ahmad Tolba towards more future-centric plans and projects. The company has so far successfully developed 3+ landmark projects in different locations with an emphasis on West Cairo.

Also, the company is working with a great mission ahead of becoming one of the leading real estate forces in the Egyptian market. It focuses on innovation-driven solutions and practical functionality. So far, it has built both residential and commercial projects to fit the different market needs in West Cairo.

Kayan Developments Facts

Kayan Developments follows a sophisticated approach to excellence. It aims to create meaningful projects that add value, not merely residential or commercial projects. The company is able to do so through its strong mission and solid vision.

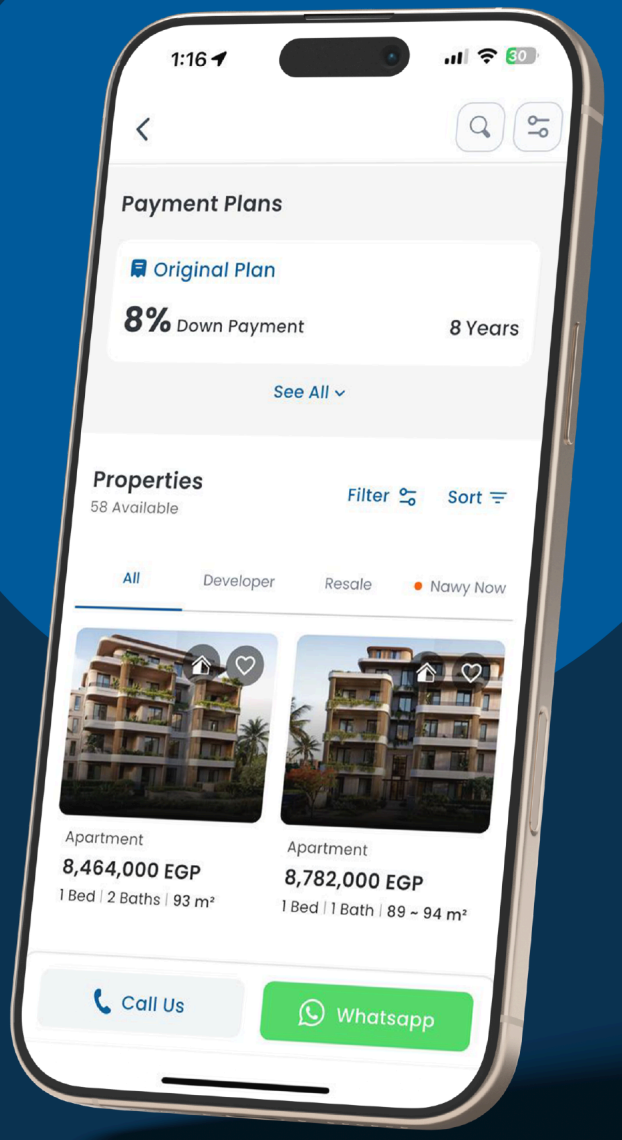

Kayan Real Estate Group’s mission is to create high-quality, innovative residential and commercial spaces. The residential projects are aimed at being meaningful and offering a sense of community. The commercial and administrative projects are designed to be a productivity-boosting environment.
