ABOUT **DEVELOPER**

ABOUT
G DEVELOPMENTS

G Developments, formerly known as New Giza Development, was founded in 2006. Since then, it has been providing the Egyptian real estate market with high-quality gated communities that reinvent luxury living.

The company has completed numerous high-profile projects in the country and abroad, and it is considered one of the largest and most professional real estate firms in the region.

It chooses the locations of its luxurious real estate projects thoroughly, utilizing their total land areas flawlessly, and delivering state-of-the-art communities that offer its clients an elevated living experience.

G Development History & Facts

G Developments opened its doors in **2006** by Mahmoud El-Gammal and Salah Diab. It was previously known as New Giza Developments.

ABOUT
THE PROJECT

City View Compound is one of the most prestigious projects in the 6th of October City, and it was developed by G Developments (formerly known as New Giza). The developer constructed the project over a large area of land, depicting a natural haven for those seeking a tranquil and sustainable life with the luxurious experience an urban lifestyle brings.

The master plan of City View Compound is designed with a wide variety of distinctive facilities and natural elements.

G Developments also implemented a broad array of exclusive services in the compound to offer the compound's residents a seamless and private experience at its finest.

Furthermore, the location of City View 6 October Compound was smartly chosen to be on the Cairo - Alexandria Desert Road for the utmost convenience. City View Compound developer made sure the project is close to many of the popular destinations in both the 6th of October and El Sheik Zayed.

Master Plan of City View Compound

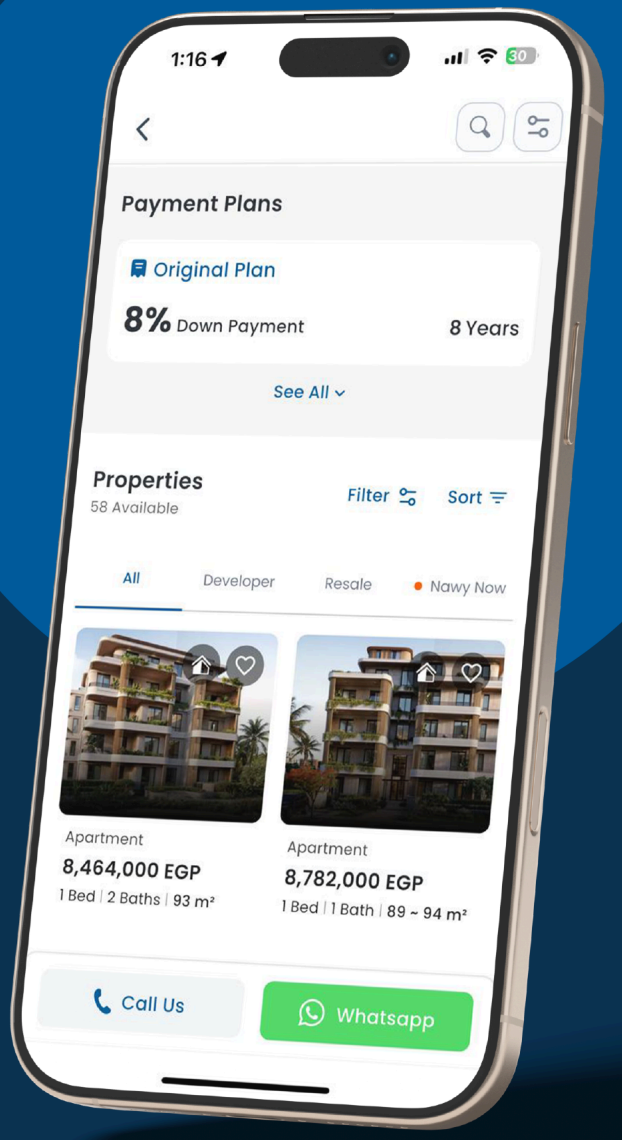

G Developments (New Giza) built City View Compound over a large area of land in the 6th of October City, and to utilize every sqm of the project, it designed a well-crafted
