ABOUT **DEVELOPER**

ABOUT
THE PROJECT

Costa Del Sol North Coast is a top-notch coastal destination developed with unique selling points and world-class facilities that will make it a place like no other.
The resort was developed with the majority of the total area dedicated to the landscapes and water features, offering you a sense of tranquility and stunning views wherever you look. It's also worth noting that the resort has a premium location in the heart of the North Coast, which is the most sought-after destination in Egypt.

Costa Del Sol North Coast Master Plan

The Costa Del Sol North Coast Resort is a project based in the North Coast to be the desirable spot for vacations who want to enjoy their summer. The Costa Del Sol North Coast is filled to the brim with endless amenities that will cater to vacationers' needs and requirements.
The facilities include, but are not limited to:

Landscapes

The resort boasts lush greenery all around the beach houses, offering vacationers a sense of calmness and natural beauty.

Water bodies

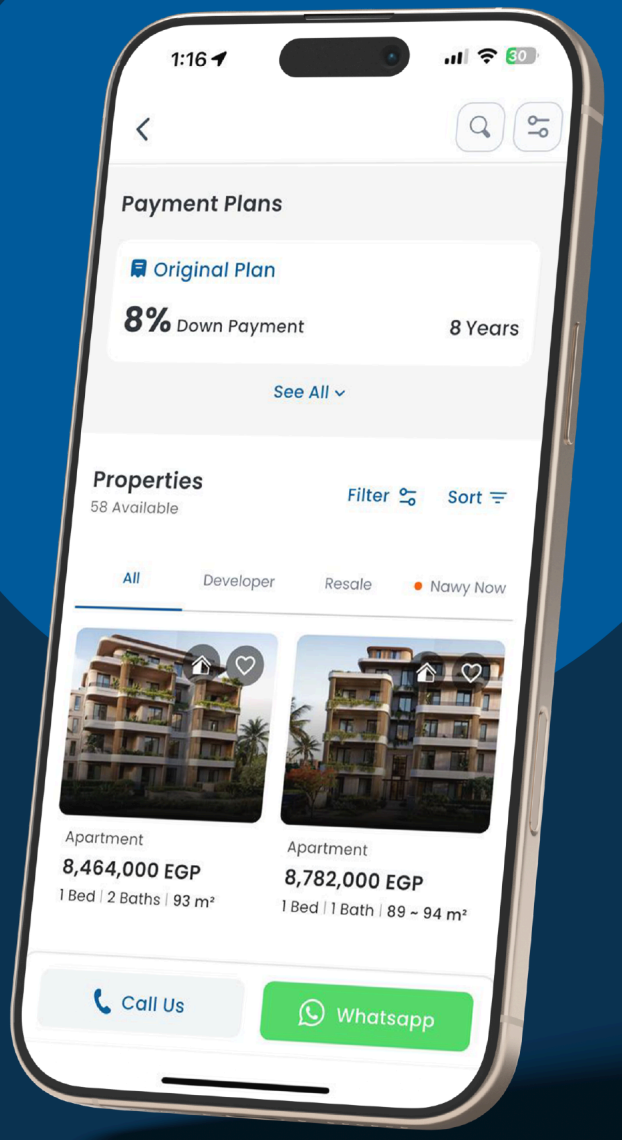

From the stunning large lakes to the small water features, the Costa Del Sol Sahel is the perfect place for nature lovers.
