ABOUT **DEVELOPER**

ABOUT
W'S

W’s Development is an innovative firm in the Egyptian real estate market, following the creative steps of **Wessam Architects**. Starting its success journey with small and confident projects, the company introduces fresh perspectives in the industry through its elite developments.

Through W Development, Wessam Architects introduces artistic ideas in the Egyptian real estate industry. Its belief in the harmony artistry brings and the unmatched force of data-driven analysis shaped the company’s success story.

History of W’s Development

ABOUT
THE PROJECT

District People is a high-end mixed-use development by W's in the heart of New Cairo City. This is a cutting-edge development created to support the goals and aspirations of intellectuals, entrepreneurs, and artists alike.

Imagine an environment where creative ideas flourish, businesspeople establish themselves, and bright minds come together in a thrilling synergy. Enter the realm and be surrounded by an environment that stokes your enthusiasm, nourishes your spirit of entrepreneurship, and motivates you to push the envelope of what is feasible.

District People New Cairo was developed with a deep understanding of the importance of striking a healthy balance between what the soul wants to create passion and what the mind needs to work more effectively.
