MBG Developments (Master Builders Group Real Estate) is one of the leading real estate companies in the Egyptian market. It is backed by 30+ years of experience of its founder and chairman, Dr. Mahmoud El Adl.

The company is now one of the reputable names in the market, with a highly diversified portfolio of residential, commercial, and medical projects. Over the years, MBG Real Estate has partnered with well-known names such as Hany Saad Innovations Studio, EHAF Engineering Consultancy, and YBA Architects.

Also, the company diversifies its services across real estate development, investment, and property management. So far, MBG has focused its development efforts in New Capital. It should also be noted that it is considered one of the very few real estate companies that developed a lavish gated community in Ras El Bar, Doray Bay.
