ABOUT
THE PROJECT

E Tower New Capital is a high-end project developed by the real estate developer United Development Group (UDG). It covers a massive area of 3300 sqm in the heart of the Central Business District, New Capital.

The project boasts an ideal location, endless facilities, and a wide array of properties for sale, providing people with a wise investment opportunity. It's also worth noting that the E-Tower is located in the center of a group of service buildings with a maximum height of 4 floors.

E Tower New Capital Location

E Tower boasts a prime location in the heart of New Capital that directly overlooks several significant landmarks, including the Iconic Tower, which is recognized as the largest tower in Africa, as well as the picturesque Green River and the central monorail station.

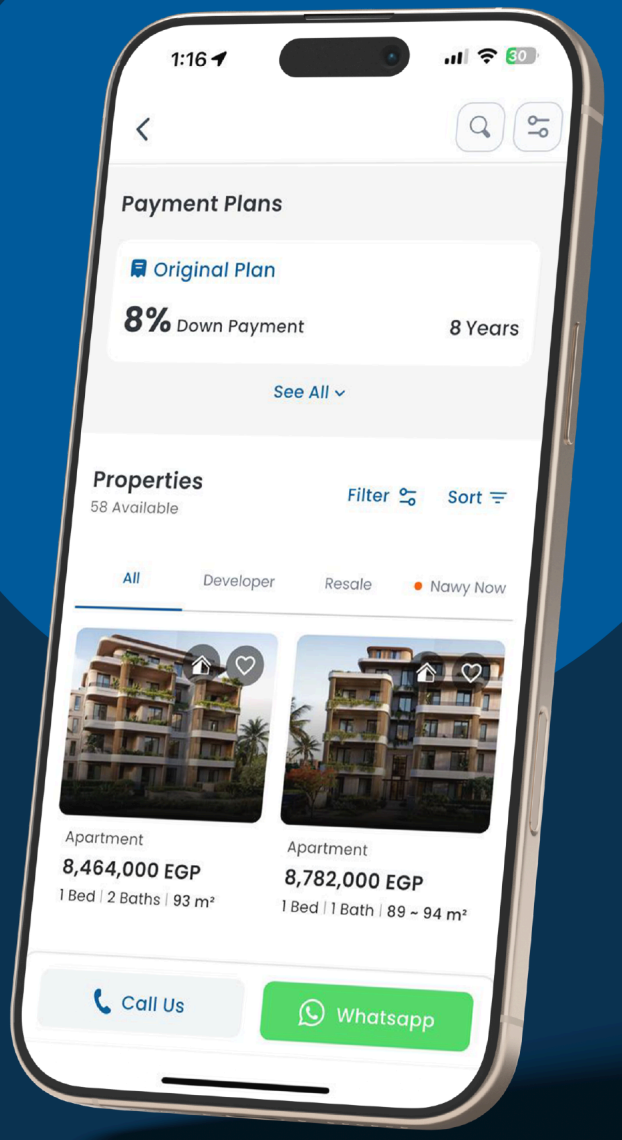

The design of the tower is strategically aligned along 2 main axes and integrates with 2 tourist walkways, facilitating easy access and enhancing the overall visitor experience.
