ABOUT
THE PROJECT

El Patio 1 Compound is one of the premium, elite residential compounds in New Cairo City. It is the first one in the series of the El Patio communities created by the well-known developer, La Vista Developments, all over Egypt.

The upscale residential complex of El Patio 1 Compound, located in New Cairo, just across from El Rehab City, is just 10 minutes from the bustling neighborhoods of Heliopolis and Nasr City.

The Compound consists of twin houses and standalone villas. In order to encourage a healthy lifestyle, residents take advantage of large green parks, swimming pools, and cascading waterfalls, all of which are surrounded by lush landscaping. Not to mention maintenance and security services available around the clock.

Master Plan & Major Facilities of El Patio 1 Compound

The master plan of El Patio 1 Compound includes all the residents' needs in one place. It is full of green spaces, landscape gardens, outdoor pools, a medical center, a sports club, swimming pools, and a fitness center.

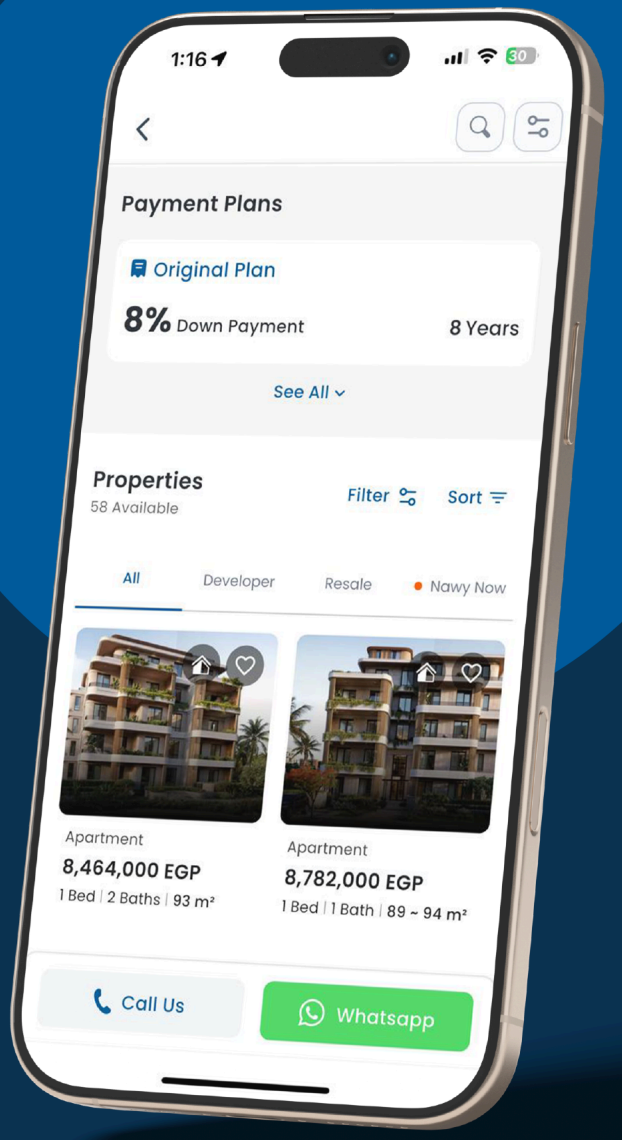

By closely studying the master plan of El Patio 1 Compound, one would see many features:
