ABOUT **DEVELOPER**

ABOUT
ARQA DEVELOPMENT GROUP

Arqa Development is a prominent player in Egypt's real estate sector, recognized for its unwavering commitment to excellence and quality.

Founded in 2019, the company was established with a visionary goal: to transform the real estate landscape in Egypt by delivering exceptional urban developments that meet international standards.

Arqa Developments has rapidly gained a reputation for its innovative approach to real estate, focusing on creating integrated residential and commercial complexes that cater to diverse market needs. The company's name, "Arqa," translates to "classiness", reflecting its dedication to providing high-quality living and working environments.

Facts About Arqa Development

ABOUT
THE PROJECT

The real estate developer, ARQA Development Group, developed I Business Park Towers New Capital. It is a groundbreaking project that redefines modern business environments.

The brand name itself encapsulates the identity of the project, with the prominent "I" symbolising several key aspects that are crucial to the vision.

With a strong emphasis on sustainability and advanced technology, I Business Park is poised to become the premier destination for businesses seeking to flourish in New Administrative Capital.

I Business Park Towers New Capital Location

I Business Park Towers is distinguished as the most premium locale in the heart of New Capital, designed to attract both national and international investments. This vibrant area serves as a hub for the headquarters of banks and multinational companies, offering a diverse range of amenities including hotels, dining venues, and healthcare facilities.

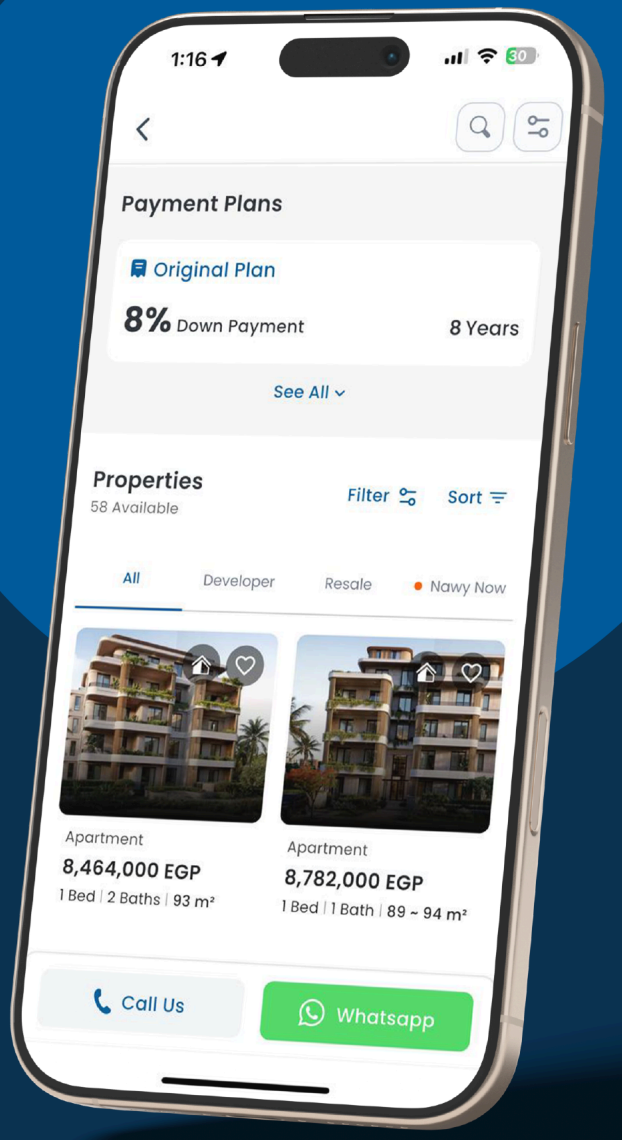

It presents myriad opportunities for professionals seeking to thrive in a dynamic environment. The location of the project at the Downtown Square ensures convenient
