# ABOUT
# WEALTH DEVELOPMENT

With more than eight years of experience, Wealth Development is one of the major players in the real estate industry in Egypt. The company is focused on building high-end commercial, medical, and administrative developments with international quality.

Wealth Developments was established in **2002**, and since then, it has been providing the Egyptian real estate market with luxurious projects. Along with its successful partner, **Arkan Engineering Consulting and Design**, it has introduced fresh, innovative perspectives aimed at its clients' satisfaction.

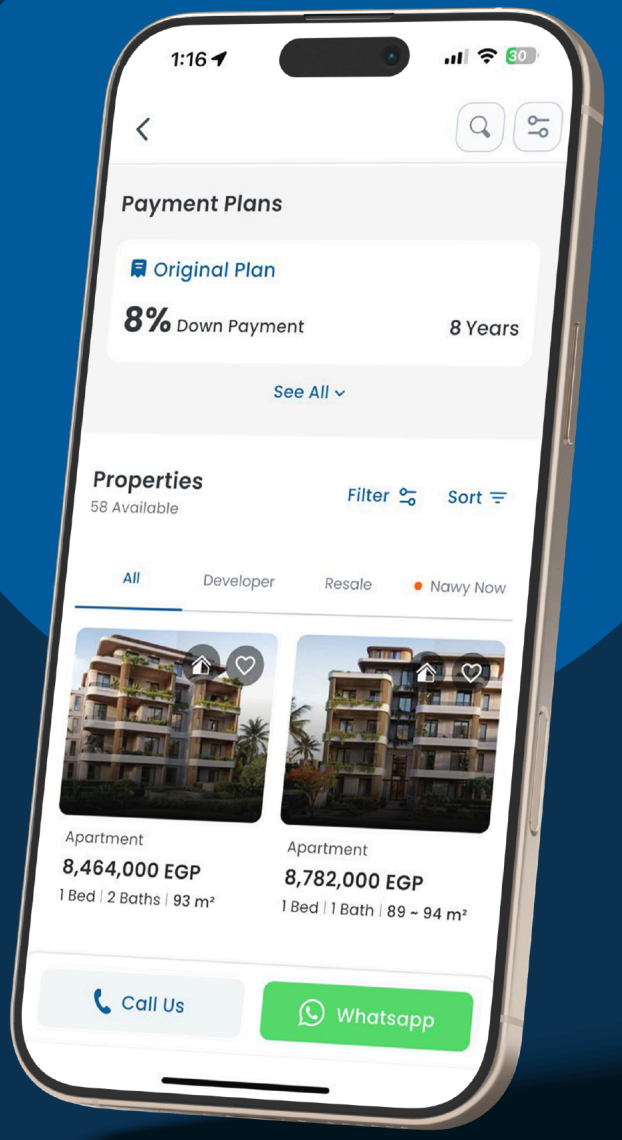

The projects built by Wealth Holding Development are characterized by their world-class standards, one-of-a-kind architectural style, and being unparalleled investment options.
