ABOUT **DEVELOPER**

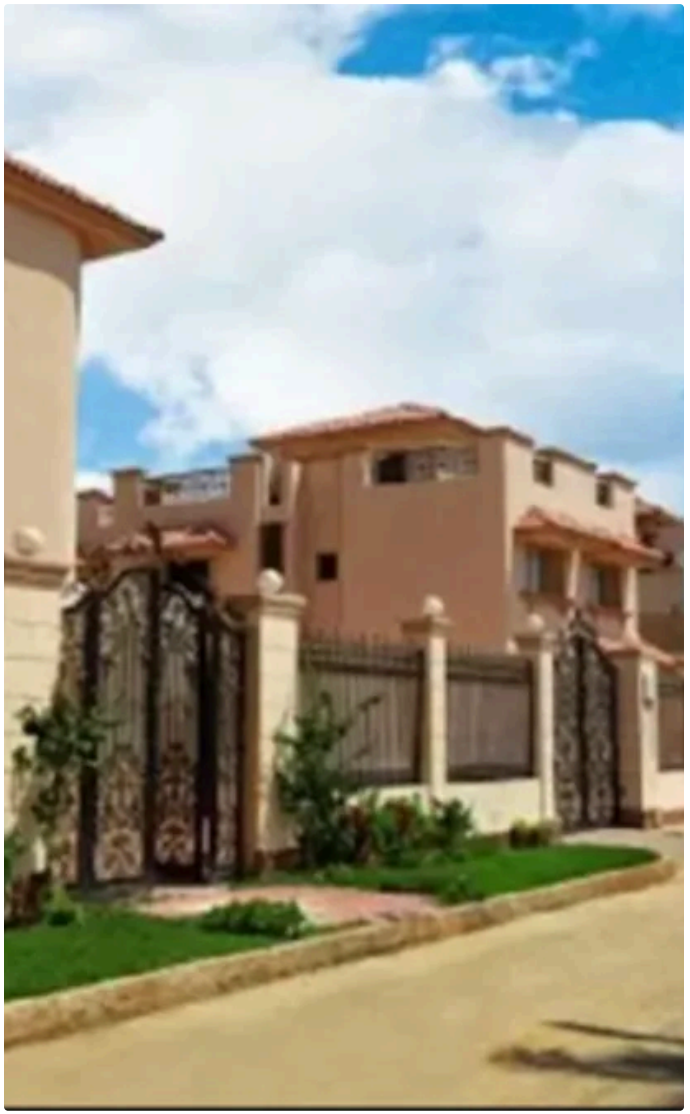

ABOUT
AL BABTAIN GROUP

Founded in **1948**, Al Babtain Group was built on the values of integrity, commitment, and passion. Staying true to the vision of its founders, the group represents some of the world's leading brands, spanning from the USA to the Far East.

Over the decades, operations have expanded into multiple sectors, including automotive, information technology, investment, industrial, and finance. In the automotive field, Al Babtain Group stands out as a market leader, holding the highest market share in key segments such as Nissan Middle East.

The investment division plays a vital role in the group's growth, actively exploring opportunities in real estate across neighboring countries.

Al Babtain Group Facts

ABOUT
THE PROJECT

Royal City Compound is a mixed-use urban community by the Al Babtain Group. The Royal City Sheikh Zayed Project was developed for those who seek a fully-fledged living experience.

The project includes a business sector, residential villas, a commercial center, and a sports club. Its distinctive location, great visibility, and easy accessibility make it the epitome of luxury in Egypt, offering the city's combined sense of entertainment, shopping, and day-to-day living.

Master Plan & Major Facilities of Royal City Compound

Al Babtain created a master plan for Royal City Compound that is skillfully tailored to each resident's needs. This master plan includes the amenities listed below and many more:

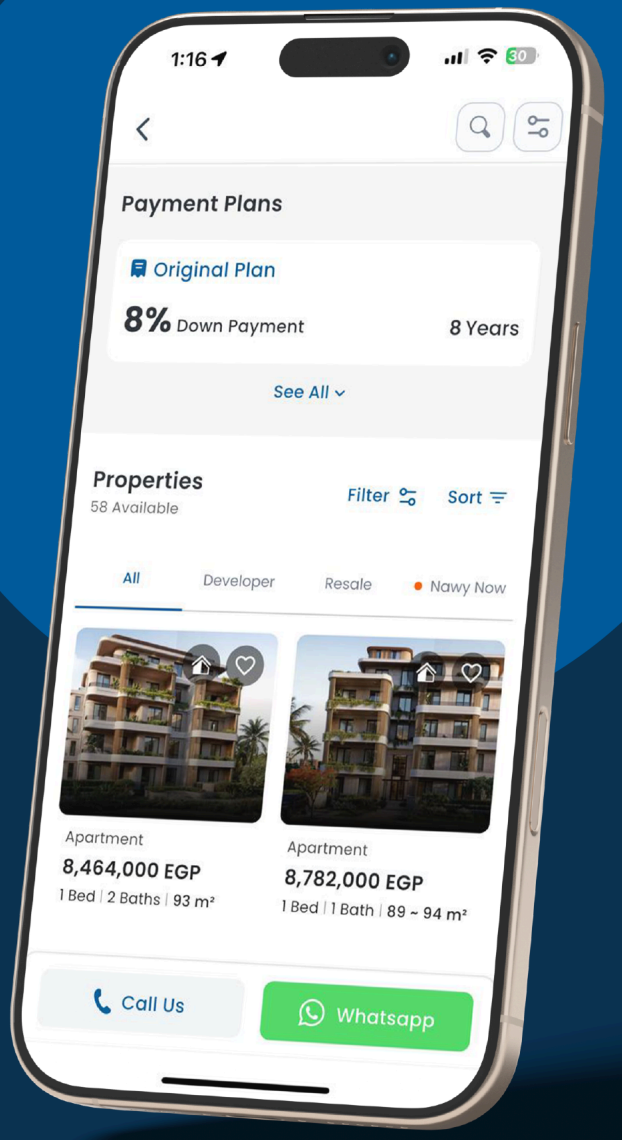

Because of its dense forest and lush greens, the area is a natural haven that benefits greatly from leisure and pure air.
