ABOUT
THE PROJECT

Sholan Somabay is one of the premium resorts by Reside Developments. The company that is well-known for developing “Sholan Projects” developed Sholan Somabay after the unprecedented success of Sholan El Gouna.

The Sholan Somabay Resort was developed to be an all-year-round home (and not only a summer gateway) for those who aspire for a tranquil, refreshing living experience. Also, the Sholan Somabay is one of a kind thanks to its strategic, easily accessible location.

Sholan Sombay also features a wide selection of premium facilities that make the life of its residents a more enjoyable experience. Aside from that, Sholan Somabay boasts a wide collection of perfectly-crafted homes of studios, apartments, and villas.
