ABOUT
SAK DEVELOPMENT

SAK Development has over 35 years of experience in real estate development. As a family business, it has built a strong foundation of hard work, market knowledge, and success in local and regional projects.

The focus is on designing and creating residential and commercial projects in Egypt's delta region. The team has worked as consultants and main contractors for major projects with the Egyptian government and the Arab Contractors.

Its experts know how to identify market needs and provide effective and quality solutions. The number of loyal clients served is truly appreciated.

Facts About SAK Development

Established in 1985, SAK Development was created to unite skilled professionals who have collaborated for years. It combines the experience of the first generation with the innovative ideas of the second generation.

ABOUT
THE PROJECT

The V Hub Mall New Capital is a thoughtfully designed mixed-use complex that caters to the diverse needs of its clients. Whether you are in search of an office, a clinic, a retail shop, or a home, you will find a unit that perfectly aligns with your requirements within this remarkable development.

This integration of various functionalities allows customers to enjoy an exceptional experience, providing everything they could need under one roof. The V Hub is one of the high-end projects by SAK Development.

It enables you to live, work, shop, and have fun all in the same location. The project offers a blend of commercial, administrative, and residential spaces, including restaurants, cafes, retail stores, a hypermarket, and clinics.
