ABOUT
MELEE DEVELOPMENT

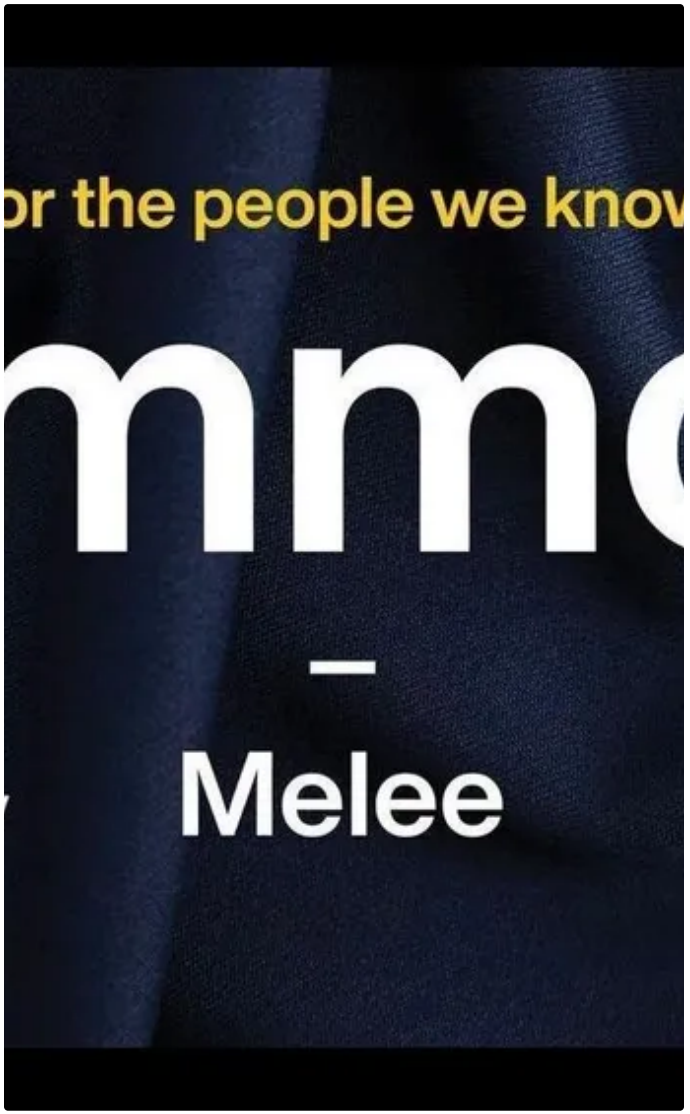

Since its founding in late 2023, Melee Development has grown to become a renowned force in the real estate sector.

Being a fully-edged, privately held business, we have the know-how and resources to handle any project's various phases with ease, from financing and site selection to building, property administration, and upkeep.

Melee Development has quickly gained recognition in the broad real estate market of Egypt, winning the affection and confidence of both homeowners and investors.

With its unrelenting dedication to quality and creativity, Melee Development, the groundbreaking real estate company, made a lasting mark.

Melee Development has become one of Egypt's top real estate development businesses thanks to its dedication to innovative strategic planning and expert marketing.

ABOUT
THE PROJECT

Commons Compound Sheikh Zayed is a high-end new project by Melee Development in West Cairo. It was planned with residents' serenity and exclusivity in mind, featuring a broad range of services and facilities to ensure their upscale living experience.

Commons by Melee has a prime location in El Sheikh Zayed City, easily accessible through 26th of July Corridor. It is also near many of the area's popular attractions and essential facilities.

Melee equipped the compound with outstanding amenities. They include, but are not limited to, parking spaces, outdoor areas, and impeccable security measures.

Commons Compound Sheikh Zayed Location

Melee Development chose a strategic location for Commons Compound in West Cairo. It is situated in Sheikh Zayed, in El Nozha Street.

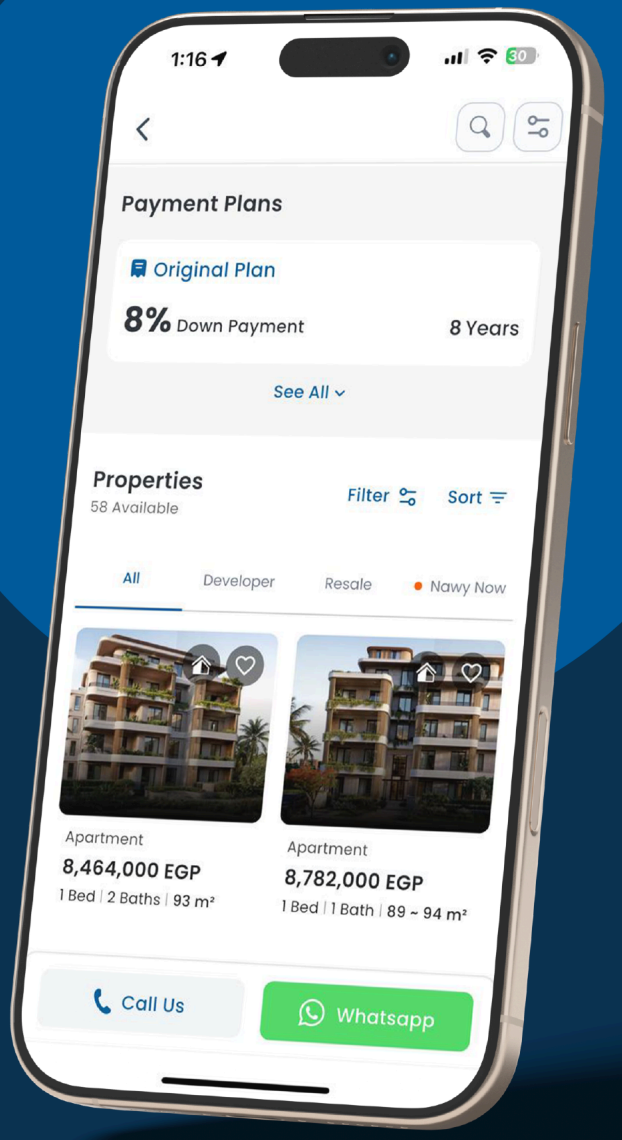

This prime location puts the Commons Sheikh Zayed Compound a short drive away from:
